Sub: Prayer for the establishment of a debating club.

Sir,

This is to inform you that, there is no debating club in our school. But we feel the need of a debating club. Because debating develops one's ability to acquire knowledge and skills of speaking. It also helps one to get prepared for the future leadership.

We, the students of your school, would request you to kindly establish a debating club in our school and nominate a teacher as a guide.

Sincerely yours

The students of

Dolair per High school.

Jewel's Care Hand Note

Sir,

This is to inform you that I am a regular student of class VIII of your school. My father is an officer of a private company. Last month he was sick and he could not draw his salary in due time. So I could not pay my tuition fees of the last month in time.

I, therefore, pray and hope that you would be kind enough to remit my delay and oblige thereby.

I remain,
Sir,
your most obediently pupil,
Ibrahim.
Class - 8. Roll - 2.
