

DIALOGUE WRITING STYLE

➤ About learning English.....

My Self: Hello! Rayhan . How are you?

Rayhan: I'm OK. What's about you?

My Self: Me too. Let's discuss about the importance of learning English.

Rayhan: Sure, Why not. It is true that we cannot think a digital world without English. Isn't it true?

My Self: Hmm. That's right. Without knowing English, we cannot go abroad too.

Rayhan: Oh, Yes. Now, I want to know how can I develop my English.

My Self: Remember, English is not only an important language but also a 2nd language all over the world. So, we have to practice English more & more.

Rayhan: Yes, I couldn't agree more. Besides, we have also increase grammar knowledge and we have to avoid other's criticism while speaking English.

My Self: Moreover, we can also increase our English knowledge by reading English newspaper, watching English movie, listening English song & BBC.

Rayhan: Yeah, by obey that rules, we can decrease our English problem. To speak in one word " Learn smart English, Earn smart salary".

My Self: Woo! That's great. That's all for the time being.

Rayhan: Good -By, friend. See you soon.

My self: OK, Good-By. See you .
